# HAPPY NEW YEAR

## The Islands are the best place to be

Now that 2020 is in the rear-view mirror, let's celebrate 2021! The skies are sunny and the shells are rolling ashore on the tide. Slow down, relax and live on island time. We're happy to see you!

If you're looking for something to do, check out the Sanibel-Captiva Art League's 45<sup>th</sup> Annual Juried All-Members exhibit at BIG ARTS. New works by regional artists are featured. Visit the exhibit throughout January. For info, go to [royalshell.me/bigartsevent](http://royalshell.me/bigartsevent).

Locals and visitors alike enjoy the Farmers Market for fresh produce, flowers, baked goods, cheeses, seafood, meats and more. Sanibel's Farmers Market is open Sunday mornings and Captiva's is on Tuesday mornings. Visit [buylocallee.com](http://buylocallee.com) for details and other locations.

There are plenty of things to do and see and you can always chill out and do nothing at all. It's your vacation! *As always, if there is anything we can do to make your stay more enjoyable, please be sure to let us know.*

## Things to Do

Maybe it's not a beach day or maybe you feel like exploring. Check out our **Things To Do** pages for details about restaurants, shopping, boating, fishing, arts, live music, and more. Even when there's nothing to do, there's always something to do!
