

Welcome to your Island vacation!

You're here during one of the best months when it comes to weather. If there's an onshore wind, that means **fantastic shelling!** If the Gulf is calm, it'll be easier to spot dolphins! You win either way! Spend your days on the beach, on the lanai, in a poolside chaise, or head out for some biking, shopping, dining, and exploring. Whatever you do, you'll be making wonderful new memories with your favorite people. *As always, if there is anything we can do to make your stay more enjoyable, please let us know.*

For 84 years, one of the most popular events in March has been the Sanibel-Captiva Shell Club's **Sanibel Shell Show**. This year the event is virtual. Open to the public with free admission, the show will be live on YouTube. Tune in Friday and Saturday, March 5 and 6, noon to 3:00 p.m., to view fascinating video footage. Learn about shells and the animals that create them, the history of shelling on our islands, shell crafting, and much more. It'll be different but it'll be great! Visit royalshell.me/2021shellshow-mar21-gn for more info. New to shelling or need a refresher? Check out our blog: royalshell.me/shellingblog-mar21-gn.
